## DETAILS:

Each team will need to provide four representatives to run the raffle, one to carry one of the prize trays, two to sell tickets and one member to collect the money.

A member of the executive will be available on the night to set up the number selector and generally help out as required.

Two raffles are run each night, the first starting at approximately 6.00pm, the second at approx. 7.30pm.

Raffle prizes and equipment are normally left in the back corner of the pub coolroom.

**Important**, if for any reason your team cannot meet its allocated night, you must let Grant Turner (0433 421 973) know by Friday morning at the latest so we can organise a replacement team. This is an important fundraiser for the club, please do all you can to make it a successful night. Why not organise a team dinner at the pub restaurant after the raffle. If you do, don't forget to mention that you are from the gorillas when booking.
